Bir zamanlar ülkemizde, karikatür, yalnızca mizah dergilerinde ve günlük gazete sütunlarında görülürdü. Dergi karikatürlerinin, ciltlenme, saklanma ayrıcalığına karşın, gazete karikatürünün ömrü bir günlüktü. Yıllarca belleklerde kalanları da vardı kuşkusuz...

Karikatür'ü süreli yayınların dışına da taşırma denemeleri olmadı değil. "Portre Karikatürleri", "Seçme Karikatürler" albümleri, daha sonra sanat ağırlıklı kişisel albümler... Ancak, kitap dünyasında bir karikatür piyasası oluşmadığından, insanlarımız genel olarak, karikatürü alıştığının dışında bir yerde görmeyi yadırgıyorlardı.

Son bir kaç yıldır bu durumun değiştiğini gözlüyoruz. Çeşit çeşit, boy boy karikatür albümleri basılıyor ve satılıyor. İkinci, üçüncü, dördüncü baskıları yapılıyor. Artık bu yayınlar karikatürcünün kişisel özverisi ile değil, yayınevlerinin yayın politikaları içinde gerçekleştiriliyor.

Yayın dünyamızda görülen bu olguda kuşkusuz, Karikatürcüler Derneği'nin yıllardır sürdürdüğü gayretlerin payı yadsınamaz.

Karikatürcüler Derneği'nin geçen yıl, KARİKATÜRK '91 kitabı ile başlattığı dizinin ikincisi KARİKATÜRK '92 de elinizde bulunuyor.

Her yıl sonunda yayınlanması planlanan ve çizerlerimizin, o yıl içindeki çalışmalarından seçtikleri karikatürlerden oluşturulacak KARİKATÜRK kitapları, bu özellikler ile, karikatürümüzün gerçek kilometre taşları olarak yarınlara doğru ilerlemektedir.

KARİKATÜRK '93'de buluşmak dileğiyle..

ERDOĞAN BOZOK
Karikatürcüler Derneği Başkanı

In former times, cartoon used to appear only on comic papers or on newspaper columns. In spite of the privilege of the cartoons published on comic papers, to be bound and to be conserved, the life of the cartoons published on newspapers was only 24 hours. Still, many cartoons have been able to conquer the memories of the people..

Certainly, there were some attempts to carry the art of cartoon beyond the boundaries of periodicals. ''Portrait Cartoon'', ''Selected Cartoons'', afterwards personal cartoon albums.. However, because of the lack of a cartoon market within the book market, people, in general, found it strange to see cartoon somewhere else which they were not accustomed to.

But in the last few years we observe that this situation is slowly changing. Various kinds of cartoon albums are printed and sold. Their second, third and even fourth editions are brought out. Today, these publications are realized not with the personal efforts of the artist, but within the publishing policy of the publishing houses.

Considering this change, we can not deny the role of the Association of Cartoonists which, since long years, continues its efforts willingly.

Now you hold in your hands KARİKATÜRK '92, the second album of the series initiated last year by the Association of Cartoonists with the introduction of KARİKATÜRK '91.

Planned to be published at the end of each year, the KARİKATÜRK albums contain cartoons selected by the artists themselves from within the works they have produced throughout that year.

With all these aspects, the KARİKATÜRK albums, the real milestones of our art of cartoon, carry this art to future generations.

We hope to meet in KARİKATÜRK '93
